

ORIGO

Powering  
India's  
Smart Agri  
**FUTURE.**

# Who We Are

For over 14 years, Origo has been the force behind **India's food security, handling, storing, and trading over ₹10,000 crore worth of agricultural commodities annually.** Till date Origo has **managed and delivered more than ₹2,00,000 crore of commodity part of food security** and supply chain for clients.

Backed by long-term investors from Netherlands, Oiko Credit, Farmer Co-operative Bank with **35,000 farmers**, and Triodos Bank, we bring global precision to India's agri heartbeat.

Our warehouses, with a strong infrastructure, join forces with our fully digital platform eMandi to create one unstoppable platform where every stock is secure, every trade is transparent, making Indian agri efficient and safe.

*We are not just  
custodians of grain.*

*We are builders of trust,  
speed, and market  
efficiency.*

# The Essence of Origo

Two Pillars, One Machine

## Warehousing Powerhouse

ISO/IEC 27001:2013 certified, high-capacity, quality-locked facilities.

## Digital Market Engine

14,000+ verified users driving fierce bidding and faster clearance.

Trusted by HAFED, HSWC, MSWC, holding FCI, NAFED and NCCF stocks, **Origo connects the dots from secure storage to stock available for instant auction with best price discovery.**

**Maharashtra State Warehousing Corporation**  
(A Government Undertaking)

**HAFED**  
The Maharashtra State Cooperative Supply & Marketing Federation Ltd.

# Why Origo Wins

## Auction-Ready, Always

Every stock primed for immediate sale.

## 14,000+ Traders

Competition fuels better prices.

## Physical + Digital Combo

Buyers see it, trust it, bid harder.

## Faster Turnover

More liquidity, less holding loss.

## Proof That Matters

**₹150+ crore**  
invested by Dutch partners.

**350+ Lakh MT**  
handled with consistency.

**20+ Lakh MT**  
food security commodity handled and delivered annually.

Trusted by FCI, NCCF, NAFED, HAFED, MSWC, HSWC.

# Collateral Management

Securing Value, Enabling Credit

We turn stored grain into capital—unlocking liquidity without compromising security.

- ❑ **Instant Liquidity**  
Commodities become bankable collateral for farmers, FPOs, and traders.
- ❑ **Quality You Can Trust**  
NABL-accredited certification ensures lender confidence.
- ❑ **Risk-Controlled Lending**  
Airtight inventory oversight and transparent liquidation protocols.
- ❑ **Proven Partnerships**  
Trusted by leading public-sector banks.
- ❑ **Market Stability**  
Reduces distress sales, strengthens the food security chain.

Banks we have partnered with:

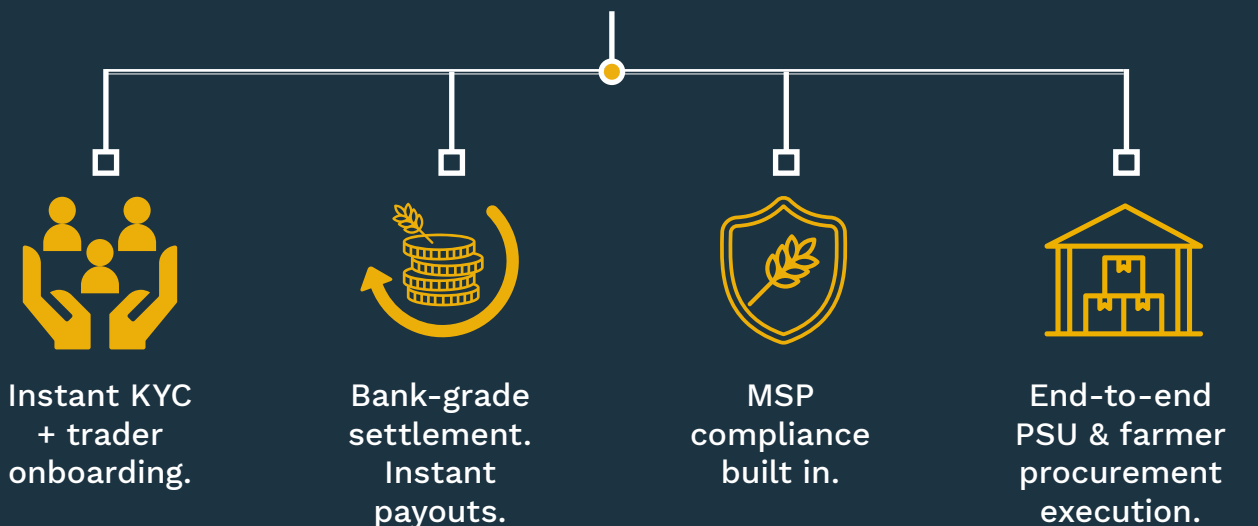

# Origo eMandi

The Auction Weapon

This is not just a trading platform.

It is a clearance accelerator.

Platform for India's biggest public sector clients, including HAFED and AP Markfed – delivering procurement and auction services.

When agencies need speed and transparency, they choose Origo.

# Quality Verified by NABL

Origo's ISO/IEC 27001:2013 certification from the National Accreditation Board ensures that all test results are recognized nationally and internationally, providing customers with confidence in quality assessment.

NABL accredited testing facilities with state-of-the-art equipment

Residue testing for pesticides, mycotoxins, and heavy metals

Nutritional analysis and food safety compliance testing

Comprehensive quality assessment for physical, chemical, and microbiological parameters

# Custodians of India's Harvest

India's largest 3PL warehousing custodian for MSP/PDS stocks.  
**350+ Lakh MT handled. 20+ commodities covered.**  
We do not just store commodities, **we preserve value.**

**Our NABL-accredited laboratories** set the benchmark for scientific quality control, ensuring every grain meets the highest national standards.

**Long-term contracts** bring stability to procurement and storage cycles.

**Platform enabled** swift monetization of commodities when the market demands it.

# The People Who Drive Us

Professionally Trained at IIT. IIM. Columbia. Michigan.

450+ specialists. Field-hardened operators. Compliance and Governance is core.

We lead with discipline, execute with speed, and govern with zero compromise.

## Next Stop

Scale at Speed

6 Million MT  
warehousing capacity.

₹50,000+ crore  
in annual digital  
transactions.

Fully integrated  
physical + digital agri  
marketplace for India.

# Partner With Us

We do not just provide a service.  
*We remove your bottlenecks.*
